## CHARGES ORGANIZED LIQUOR INTERESTS ARE BACKING COX

Will H. Hays, National Republican Chairman, Delivers Counter Attack at Investigation

PRODUCES CARROLL'S LETTER

Epistle is Plea From New Jersey Head of Liquor Interests For Cox Contributions

CARROLL IS SUBPOENAED

Hays Says Cox Charges Are False in What They Say and Libelous in Their Purpose

(By United Press)

Chicago, Ill., Aug. 30.—Organized liquor interests in the United States have set out to elect Governor Cox of Ohio president and are raising a campaign fund for the purpose, Will H. Hays, chairman of the republican national committee, charged today before the United States senate subcommittee investigating the campaign expenditures.

Hays read into the record a letter written by George Carroll, president of the New Jersey Federation of liquor interest, under the date of July 22, 1920, asking for a contribution to help elect Cox and keep the anti-saloon league out of power. The letter said that they would call the Cox nomination a "great victory for us."

Senator Reed of Missouri, Democratic member of the committee, interrupted Hays' statement when the G. O. P. chairman began to read a newspaper article telling of a meeting of the democratic executive committee at Atlantic City in August 1920, at which it was stated the democratic leaders planned to raise a \$10,000,000 fund.

Hays said he was reading the article as a counter attack against the democrats.

Senator Kenyon asked Hays to keep away from that sort of evidence as much as possible. Reed insisted that evidence should be obtained only from sworn witnesses and Senator Edge asked if he thought the committee should call Governor Cox.

"If any member of the committee wants to call him, I am not objecting," Reed said. "But I don't think it is necessary at this time."

Reed asked Hays if he charged that the democrats came out to raise \$10,000,000 fund, according to the three newspaper articles which Hays read into the evidence.

"I charge," Hays said, "that amount was set up for the very purpose in these articles."

Governor Cox charges "are false in what they say and libelous in their purpose," Hays said.

Hays in a long prepared statement to the committee said the national committee's budget for the campaign for this year called for \$3,079,037.20. That sum or approximately that will be raised and spent, he said, and not \$15,000,000 as Cox charged.

Hays also produced what he said was an acknowledgement by I. N. Heller of Newark, secretary of the New Jersey Federation of liquor interests of a contribution of \$125 to the democratic campaign fund.

Heller and Carroll were immediately subpoenaed by the committee.

Hays produced the letter and receipts after having charged that certain interests were trying to help elect Cox. He said he was willing to submit evidence concerning these interests.

"Submit it," said Kenyon.

Hays then read the letter. Hays declared with great emphasis in response to the queries by Senator Reed by "there is not, never was and will not be any arrangements or agreements with men of large means to underwrite the campaign."

He also denied that any corporation had co-operated with the G. O. P. and said he had not heard of any promise for favors in contributions. Hays declared "this liquor business is bad."

Hays said he was merely trying to give the committee a leak for in-

vestigation of the democratic fund and was permitted by the committee to submit the newspaper articles of that leak.

"I do not claim that the Democrats set out to raise a \$10,000,000 fund," he said. "But I do say they created money raising machines to do that."

## OLD LOCAL CHARACTERS SUBJECTS FOR STORIES

Reminiscent Talks at Dinner Party in Honor of Tom J. Geraghty Saturday Night

EARL H. PAYNE PLAYS HOST

Some of the old characters of Rushville, made famous locally by Tom J. Geraghty while he was on the Daily Republican, were the subjects of many reminiscent stories related at a dinner party given Saturday evening by Earl H. Payne at his home, in honor of Mr. Geraghty, who was a guest here over Sunday while enroute from Los Angeles to New York, where he will take charge of the new Famous Players-Lasky motion picture studio.

The well-known "key" to Rushville was presented to Mr. Geraghty by Will O. Feudner, who recalled some of the incidents of his early newspaper career here and referred to some of Tom's early friends about whom he delighted to write interesting stories. Many of them have passed away since Tom's last visit here, but he was still able to find many familiar faces in Rushville.

Each of the fourteen guests Saturday night related how he earned his first money as a boy and some "campaign" speeches, centering about Gov. Cox's charges of a fifteen million dollar slush fund, enlivened the party. The host received "telegrams" from Gov. Cox and Senator Harding which developed a political argument of great intensity. Gilbert Cornish of Chicago, who visited Denning Havens here over the week-end, was among the guests.

## MINERS GET INCREASE

Washington, Aug. 30.—President Wilson today approved the majority report of the anthracite coal commission giving the miners a wage increase of approximately 17 percent.

## M'SWENEY COLLAPSES

London, Aug. 30.—Terence MacSweney, lord mayor of court, collapsed again in Briston prison this afternoon. Physicians expressed the belief he had but a few hours to live. This was the 18th day of his hunger strike.

## FOUR KILLED IN BELFAST

Belfast, Ireland, Aug. 30.—Soldiers and police restored order following a night and morning of rioting between Orangemen and Catholics. Three men and a woman were killed today and fifty persons were wounded, bringing the total up to 15 killed and 100 wounded in the riot.

## TO TIE UP ELEVATED

New York, Aug. 30.—Union leaders directing the Brooklyn transit strike today declared they would endeavor to complete the tie up of elevated railroads and subway lines in Brooklyn by a sympathy strike of motormen on these roads. Leaders said many brotherhood men had expressed the desire to walk out and said an appeal would be made to them today.

## CAN'T PREVENT JAP VOTE

Washington, Aug. 30.—The vote of California on the measure for abolishing prohibition of land-holding by Japanese, scheduled for November, can not be prevented by the United States, it was said officially today, as the result of extending negotiations with the ambassador of Japan.

## INFORMATION FOR VOTERS PROVIDED

Attaches of Republican County Headquarters Prepared to Serve Voters This Week

## TWO WOMEN ON DUTY THERE

Republican headquarters, for both men and women, will be open every day this week from nine o'clock in the morning until nine o'clock in the evening for the benefit of voters who will register Saturday. There will be someone constantly in attendance during these hours to answer any questions regarding registration. Mrs. A. L. Stewart, who is at the head of the republican women's organization of the county, and Miss Lena Buell, will be in the woman's headquarters, which is just across the hall from men's headquarters over Shuster and Epstein's store in West Second street.

Any persons who expects to be absent on Saturday is urged to go to the office of the clerk of the circuit court and fill out a blank for registering. Persons knowing others who will be sick and unable to go to the polls Saturday are requested to call telephone No. 1627 and the proper authorities will be sent to them so that they may register.

It is reported that a number of women living on the outskirts of the city think they can avoid poll tax by refusing to register or vote. It is pointed out that this is far from the case because the poll tax must be paid regardless of whether the voter casts a ballot.

## PARTY OF BOY SCOUTS TOURING ON BICYCLES

Eight Young Men, Including Scoutmaster, Here on Return Trip to Home at Mansfield, O.

## TRIP COVERS 1,000 MILES

A party of eight Boy Scouts, accompanied by their scoutmaster, Carl B. Warne, passed through here Saturday evening on their return trip of a thousand mile bicycle journey to Mansfield, Ohio, where they started August 7. The crowd arrived in Greensburg Thursday night and was detained there over Friday night by the illness of Russel Phipps, assistant scoutmaster.

The group of Scouts were entertained at the Y. M. C. A. during their stay in Greensburg and did not get away from their until Saturday afternoon, passing through here between four and five o'clock on the way to Connersville. In addition to the scoutmaster and his assistant, the members of the party were: Ralph Schad, Harold A. Bruce, Henry Carr, Harlow Salter, Lee Manuel and Clarence Hassinger.

The purpose of the trip is to boost the scout movement, boost Mansfield, O., and to have a health and endurance test. In the company are 2 star scouts, 1 life scout and all are first class scouts. They have averaged from 40 to 50 miles per day while on the road.

Their route, leaving Mansfield, included Sandusky, Port Clinton, Toledo, Ohio., Detroit, Mich., Windsor, Canada, South Bend, Indianapolis, Columbus, Greensburg, From here they went to Connersville, Springfield, O., Marion, O., the home of Senator Harding, and then on to their own home at Mansfield.

## PETITION TO REPAIR DRAIN

Raymond L. Blount, et al, today filed a petition for a repair of a drain, known as the Isaac M. Fletcher drain. Several petitioners are listed with Mr. Blount in bringing the action into court.

## BOYS CALLED INTO COURT

Six high school boys were cited to appear in police court this afternoon at four o'clock, following a complaint registered at the I. & C. traction station last night about eight o'clock, when the boys are said to have scattered limberger cheese around the station, making the place almost uninhabitable.

## TO START PLANT TO TREAT WHEAT

Seed Committee and County Agent Make Arrangements to Give Hot Water Treatment

## TO BE STARTED IN SEPTEMBER

Only 100 Bushels to Township Will Be Treated—Rules Governing The Station

Plans were completed Saturday afternoon at a meeting of the county seed committee and County Agent D. D. Ball, whereby farmers of Rush county may take advantage of an opportunity to have their seed wheat treated by the hot water method, which was used here last fall very effectively by County Agent Detrick.

The committee decided to allow 100 bushels from each township, which in all will make 1200 bushels for the entire county that will be given the treatment. The oil boiler room at the heating plant back of the county jail, will again be fitted up for the treating, and the work will commence between the tenth and fifteenth of September.

The part of assigning wheat for the treatment will be left with the various township chairmen, and many townships are already filled with the quota. Anyone else who desires to have wheat treated should consult their township chairman or else take the matter up at once with the county agent.

The seed wheat committee consists of Howard Ewbank, W. B. Crane and Harry McMillin. Last year only 558 bushels were treated, which represented 52 individuals. The results in all cases this year showed that the wheat which was given the treatment was free from smut, or only a small trace was found, while the seed that was planted untreated, showed on an average of 7 percent smut.

All farmers whose wheat was treated last fall sent a report into the county agent's office, telling the amount in dollars and cents that the treatment saved them, and the results were astonishingly remarkable.

At the meeting Saturday several rules were laid down for the carrying on of the treating station and the rules adopted are as follows:

1. Varieties must be picked out from over the different townships in the county.

2. Only wheat of reasonably pure variety will be treated.

3. Only wheat of variety, standard for Rush county, will be eligible.

4. Wheat must be properly cleaned before bringing it to the treating station.

5. The amount will be limited to enough seed to sow a small field of not more than 20 acres for an individual.

6. The treated wheat must be planted after "fly free" date, and crop raised from treated wheat must be made available for seed to the farmers in the township on which grown and at a reasonable price.

7. Wheat must be brought to the plant for treatment and called for when requested and will be treated in order that applications are received.

The fly free date mentioned above is after October second in this county.

## INCREASE NOT AUTHORIZED

Public Service Commission Refuses Raises in Rail Fares

(By United Press)

Indianapolis, Ind., Aug. 30.—Passenger fare increases on the steam railroads operating in Indiana will not be authorized by the public service commission at the present time, E. I. Lewis, chairman of the commission, announced today.

The steam carriers petition for higher freight rates and other rates are still under consideration, he said. This action retains the three cent fare in Indiana. Lewis said the public service commission took this course because of like action by the state utilities bodies of Ohio and Illinois.

## MAY FACE SERIOUS CHARGE

Emory Westover is in Jail on Complaint of Several Parents

Emory Westover was lodged in jail yesterday afternoon by Sheriff Jones, on a warrant charging him with unbecoming conduct, and today it was expected that a charge of encouraging delinquency of minors will be placed against him in the circuit court. Parents of about ten or twelve young girls have complained to the officers about the actions of the man toward their daughters, and yesterday he was placed in jail after being followed by the officers. Westover gave his age as 58, and said he is employed in Glenwood, but lives in this city. No bond was furnished today, as there had not been any specific charge placed against him.

## SEPTEMBER TERM OF COURT JURIES DRAWN

Commissioners Draw Names For Regular Panel in Preparation For Court Opening

## NO WOMEN ON EITHER JURY

The petit jurors and grand jurors were drawn this afternoon in the clerk's office, in preparation for the beginning of the September term of court which convenes next Monday. In drawing the two sets of jurors, it so happened that there were no women's names put in the box, and for this term at least, the regular panel will be composed of men.

R. G. Budd and J. L. Cowing acted as jury commissioners. Mr. Budd filling the place temporarily on account of the illness of Cary Jackson. The twelve men drawn for service on the petit jury are, Thomas S. Mills, Jackson township; John G. Beale, Jackson; Daniel Hays, Washington; W. A. Cameron, Richland; Al Newsum, Ripley; Minor Bell, Union; Lou P. Willey, Orange; James W. Branam, Walker; Charles Owen, Orange; Charles Chance, Union; Bert Mull, Walker and Jesse A. Leisure of Ripley township.

The six selected for service as grand jurors are as follows: John Heeb, Noble; Lora Alexander, Orange; Henry F. Addison, Posey; Edward Austin, Richland; James M. Gwinn, Rushville and Thomas W. Lower of Rushville.

## FINAL PREPARATIONS MADE FOR MINISTREL

Seat Sale Indicates Attendance at Home Talent Production Will Be Good

## TO BE GIVEN TWICE THIS WEEK

Final preparations are being made for the presentation of the Knights of Pythias minstrels which will be given at the Graham Annex auditorium Thursday and Friday evenings of this week, under the direction of James Withers of Greensburg.

Reserved seats are now on sale at Hargrove and Mullin's drug store and the early demand indicates that the attendance will be up to the record established by former home talent productions.

It was announced today that all members of the cast should be at the K. of P. hall tonight not later than seven-thirty o'clock.

The following from the Greensburg News tells of the success of the minstrel show which was staged there last week under the co-direction of Withers in connection with the American Legion Jubilee.

The Loyd & Withers minstrel show is probably the greatest financial success of the Jubilee. The receipts have been very large, if the crowds that have attended are any criterion. C. J. Loyd has always taken a delight in staging a minstrel and his enthusiasm is revealed in the success attained by his shows. Withers knows the game from A to Z. Loyd & Withers are planning to stage minstrels in neighboring cities this fall and winter.

## LASTING TRIBUTE PAID TO SOLDIER

Military Funeral Held Sunday in Honor of Raymond Hamilton, First to Die Overseas

## LARGE CROWD AT CEMETERY

The Rev. L. E. Brown Compliments East Hill Cemetery Co. For Gift of Burying Ground

Deep and lasting tribute to the memory of Raymond Hamilton, the first Rush county soldier who died in a foreign country during the World War, was paid at a military funeral held Sunday under the auspices of Rush post No. 150 of the American Legion.

Several hundred people gathered at the home of Mrs. Reynolds, 1020 West Market street, where the funeral services were held at four o'clock in the afternoon. The funeral sermon was preached by the Rev. L. E. Brown of the Main Street Christian church, who took for his subject the passage of scripture, "He saves others; Himself He cannot save."

A crowd estimated at twelve hundred people gathered at East Hill cemetery for the ceremonies at the grave, where the Rev. Mr. Brown made a short address, complimenting the generosity of the East Hill Cemetery company for its gift of a burying ground to the American Legion post of this city as a site for graves of World War veterans.

The American Legion ritual was used at the grave. Albert Sweet of Rush post read a prayer and Harry Lucas sounded taps. It was a source of great regret on the part of the officers of Rush post that they were unable to get a firing squad to make the funeral of the first Rush county boy who died overseas, a true military ceremony.

The heads of the Legion post endeavored to get a squad of soldiers from some camp to make the funeral military in every aspect, but they found it impossible. Practically all of the soldiers have been removed from Fort Benjamin Harrison in preparation for making the post a corps headquarters, and it is hoped that if the occasion arises again where a military funeral is desired, it will be possible to get a firing squad from Fort Harrison.

The funeral cortege from the home to East Hill was led by a guard of ex-service men, wearing their uniforms, who rode in automobiles. Several other machines, bearing relatives and friends, followed the hearse.

The pall bearers, all of whom were friends of Hamilton, were as follows: Charles Pea, Ralph Pea, James Jordan, Ralph Wagoner, Elmer Hendricks and Donald Newman.

The Rev. Mr. Brown, speaking at the grave, commented on the fact that the first Rush county soldier to be laid to rest in the American Legion-burying ground, was not only the first Rush county boy who gave his life for his country on foreign soil, but that he was also the youngest Rush county boy who made the supreme sacrifice during the recent world conflict.

The minister complimented highly the officers and board of directors of the East Hill Cemetery association for their gift to the American Legion. He said that such acts should be emulated here because they showed the proper appreciation for the services performed by the hundreds of Rush county boys who answered the call of their country.

The Rev. Mr. Brown enumerated briefly the events in the life of Private Hamilton at the grave, having read the following outline of his career at the funeral services:

Taps have sounded and we are gathered to pay tribute to one whose life was snapped out in the very flower of his young manhood. One who answered his country's call in time of greatest need and whose life was given on the altar of service.

Raymond Hamilton, son of Edith and Cyrus Hamilton, was born in Wayne county, Indiana, January 7, 1900. Coming to Rushville about twelve years ago, he made his home with his aunt, Mrs. Albert Pea, until the country's call for volunteers was

given and he was one of the first to enlist. He enlisted with Company B, encamped at the Rush county fair grounds and was later transferred to 150th Field Artillery, Rainbow division, Fort Harrison, Indianapolis. Soon after his division was sent to France and was there just eighteen days when he contracted the measles, that resulted in his death, December 8, 1917 at the age of seventeen years, eleven months and one day. Raymond was the first Rush county boy to die in service.

He is survived by his mother, Mrs. Edith Cragor, two half-brothers and one half-sister and one aunt, besides many other relatives and friends.

The remains were brought to Rushville on the morning of August 27, 1920, and were interred at the East Hill cemetery Sunday August 29. The services were in charge of the American legion.

BETWEEN a cruel and powerful Sheik of Arabia and a daring American captain of the famous Black Horse Troop, a deadly feud arose for possession of Sari, the lovely, unveiled Virgin, beggar girl of the Stamboul streets. One she hated and dreaded—the other she almost loved. Then, one fateful day, she entered, unseen, a Turkish mosque, forbidden to women under penalty of death. There she saw a sight that froze the blood in her veins—that changed her in a moment from a care-free girl to a woman. What was the dreadful act Sari saw in the sacred mosque; who committed it, and why? What became of the Sheik and the American as a consequence or what she saw? Those are tremendous moments in "The Virgin of Stamboul". Don't miss them. Now playing.

## School Days Again

School days are with us again, and some of us will be looking back over the days of childhood and recounting the precious hours that were frittered away.

Young people are seldom able to penetrate the veil of the future and realize the imperative need of an education.

But the need is there and is becoming more insistent as time goes

on and civilization progresses.

In the olden days the educated class were but few in number. Today they are almost universal. Tomorrow—who knows what the requirements will be?

There is a training school for every profession, for almost every trade, and even the tiller of the soil has his colleges and universities for the dissemination of knowledge necessary to a wider and more diversified field of agricultural activity.

With our children back in the class rooms again, it would be well for us of mature years to enlarge our interest in their welfare.

We should extend to the teachers a full measure of encouragement and support, and thereby add to the zest of their labors.

Our duty does not end with starting the child to school in the morning. That is only the beginning.

An active and daily interest in its progress will lead, encouragement to its efforts and spur it on to greater success.

Parental commendation is sweet to every child.

Indifference is the father of neglect.

Those who would silence the tongue of gossip would let their own be the first to cease to wag.

No, the public highways were not made for your convenience alone.

## MICKIE SAYS:

HONEST TO GOODNESS! A FARMER WHO HAD A \$26,000 SALE AND MOVED TOWN, CAME INTO THE OFFICE AND SAID: "YOU'VE BEEN GIVING ME A DISCOUNT NOW, WON'T YOU? I'VE BEEN TAKING THE PAPER OVER TWENTY YEARS AND NOW I'VE HADTA CUT DOWN LIVING EXPENSES."

Generosity concedes an inch to the other fellow.

The man who speaks with a bitter tongue is the first to feel its venom.

You can make your worst enemy look small by speaking kindly of him. The public is not slow to judge.

The pathway of honor lies in front of every man, but he can not expect others to be continually pointing it out to him.

Looking truth in the face is often more profitable than pleasant.

## Sap and Salt

By BERT MOSES.

The sad thing about honesty is its lack of popularity.

The word "fool" is seldom used any more without the adjective.

Farming is a risky business—a constant gamble against the weather.

It is a fine thing to want nothing, for you can depend upon getting it.

Hez Heck says: "Adam and Eve surely had their troubles through mosquito time."

Some people think they are getting into society when they can afford a washwoman one day a week.

## NOT AN ISOLATED CASE

Many Similar Cases in Rushville and Vicinity.

This Rushville man's story given here is not an isolated case by any means; week after week, year after year, our neighbors are telling similar good news. Ask your neighbor!

M. Conner, cigar manufacturer, 1001 N. Harrison, St., says: "I had backaches and pains through my kidneys. My kidneys acted irregularly, too. Doan's Kidney Pills stopped the pain in my back and regulated my kidneys."

NO TROUBLE SINCE.  
More than three years later, Mr. Conner said: "I haven't had to use Doan's Kidney Pills since giving my former endorsement, telling what they did for me. I am sure the cure is permanent."

## Amusements

## "Miss Hobbs" at Princess

Wanda Hawley will be the attraction tonight and Tuesday at the Princess theater, when she appears in, "Miss Hobbs," her first starring vehicle for Realart.

This will be welcome news to the many Princess playgoers who have been awaiting with interest Miss Hawley's first appearance as an independent star. As a leading lady she was one of the most popular players whose film work is seen in this city.

"Miss Hobbs" is a sparkling comedy, concerning a young woman who hates men and inclines to smocks, futurist art, barefoot dancing, and other such fads. It was written by no less famous a personage than Jerome K. Jerome, author of "The Passing of the Third Floor Back" and "Idle Thoughts of an Idle Fellow." It was scenarized by Elmer Harris.

An excellent cast will be seen in support of the new star. Harrison Ford plays opposite the star, while other film favorites include Helen Jerome Eddy, Walter Hiers, Jack Mulhall, Julianne Johnston and Emily Chichester.

## Benefit Show Today and Tuesday

The Psi Iota Xi sorority will have charge of the Mystic theater today and tomorrow and will present, the late picture, "The Virgin of Stamboul," featuring Priscilla Dean. The local sorority will also introduce special musical features in connection with the motion picture.

"The Virgin of Stamboul" is heralded as one of the important photoproductions of the year, presented in a big way. It unfolds the life of the mysterious East and reveals the customs of the Turk and Arab, from the mosque at Constantinople to the great Arabian desert. It lays open the heart of Stamboul with its filth and wretchedness, its sin and iniquity. It leads through the door of the sacred temple, through the forbidden portals of the harem, through the vast stretches of the arid waste.

It shows what happened when a beautiful beggar girl, Sari, turned her footsteps towards the mosque, there to lift her voice in supplication to a God she had never known before. What she saw as she knelt there, her eyes lifted to Allah, will make the blood of the bravest man boil, and is the beginning of a fusillade of tense situations following each other with machine gun-like rapidity.

Whole streets, and sections of Stamboul, "the wickedest city in the East," have been reproduced for this production, and many weeks were spent on the desert for certain scenes in this photodrama.

## NO NICKNAME YET FOR G. G. P. CANDIDATE

Marion, O., Aug. 30—Despite the opportunity afforded by his middle name, Warren Gamaliel Harding has entirely escaped having a nickname, so far as anyone in Marion can discover.

Many years ago a few boy playmates called him "Doc" because his father was a doctor but the nickname never stuck.

Harding's secretary, George B. Christian, Jr., calls the candidate "Gov." Harding was lieutenant-governor of Ohio once. Harding refers to himself impersonally as "the candidate."

Mrs. Harding calls him "Warren," reporters address him as "Senator," and all visitors trying to be original greet him as "the next President."

It really is surprising how much use and abuse a Hupmobile will endure, and still stay right.

## RESTAURANT MAN IS OUT WITH ALL FACTS

Says He Works Twelve and Fourteen Hours a Day. But Feels Fine Since Taking Tanlac — Friends Comment on Change.

"Tanlac has certainly put me back on the eating list," said W. H. Tillman, of 430 6th street, Terre Haute, Ind., who for five years has been the manager of Nagles Dairy Lunch.

"For one whole year following a nervous breakdown," explained Mr. Tillman, "I was unable to enjoy a single mouthful to eat. I lost my appetite completely and the little I did eat was just forced down. I suffered a great deal with pains in my chest, which were so severe at times as to almost cut off my breath. I became so weak that I could scarcely attend to my business and was only strong enough to spend about two hours a day in the cafe, then I just had to go home and to bed. I tried all kinds of medicines,

but just kept on getting weaker and going down hill until I thought I would have to give up my business entirely.

"One day while talking to a customer I asked him what made him have such a good appetite? He said Tanlac, and recommended it so highly that I decided to try it myself. I bought a bottle that very day and my appetite is so big now that I can hardly eat enough to satisfy it. Why I eat all hours of the day and just feel fine all the time. I work twelve and fourteen hours a day now and lots of the patrons of the cafe comment on how well I look and I don't hesitate to tell them what did it."

Tanlac is sold in Rushville by F. B. Johnson Co., in Milroy by Dallas Copper, in Manilla by Geo. J. Inlow, in Arlington by Mrs. L. T. Davis, in Carthage by Otto C. McCarty, and in New Salem by Mrs. Jos. Hankins, R. R. 2—Adv.

## RICHMOND GETS ONE LITTLE HIT

Tail Lights Bunch Hits in Seventh Inning and Shut Out Richmond Eagles 5 to 0

WAS A WONDERFUL GAME

Plummer Pitches Great Game and Entire Team Plays Airtight Ball —Anderson Next

With two men out in the seventh inning, and the score nothing to nothing, the Rushville Tail Lights managed to fill the bases, pound out five hits, and bring in five runs which won the game for them at Richmond, when the fast Eagle team of that city was shut out by the score of 5 to 0.

The game was a revengeful one in every respect, the local team having lost at Richmond a few Sundays ago by the score of 3 to 2, in one of the fastest games ever played in that city. Plummer was at his best yesterday and deserves credit for winning the game.

Only 29 batters faced Plummer, four struck out and in most cases only three men were at bat. Burkett, first baseman for Richmond, was the only player that got a hit, it being a single toward the end of the game.

The Tail Lights were in the best of form, and fielded almost perfectly, making only three scattered errors which did not amount to anything. All of the fielding was practically done in the infield, as only two balls were knocked to the outfield.

Gordon Bennett on first base made 18 putouts, without an error, and Plummer had 7 assists. Joyce handled 8 assists at second base without an error.

The first six innings were league style without any rag chewing, no errors or scores. In the seventh, with Rushville at bat the fireworks

started, and when the smoke cleared away, five runs were put across the plate, and Richmond was unable to come back with a single score.

Plummer was the first batter up in the seventh for Rushville, and he singled. He stole second on a passed ball and an overthrow to first landed him on third base. Doll struck out and W. Bennett knocked a fly, which put him out. The next two up were walked, and Byrne singled, followed by a double by Joyce and a single by Bell, which brought in the five runs.

Over 2,000 people attended the game, as Rushville had previously made a reputation of having a good team, and Plummer pitched better ball yesterday than he did a few weeks ago. The entire team was behind him, which put the game on edge.

Minner was the pitcher for Richmond, and aside from the fatal seventh, he pitched good ball, the Tail Lights getting 9 hits in the game.

The Richmond manager is again anxious to get the two teams in action again this season. The fast Anderson Seftons play here next Sunday, having been rained out a few weeks ago in a game scheduled here. On the following Monday, Labor Day, the Arlington Red Sox will be the attraction, which will no doubt prove a good drawing card.

## Frames Should Fit The Face

Correctly fitting frames are almost as important as correctly ground lenses. Therefore we take particular pains to make sure that the frames fit the face perfectly.

The center of the glasses should come exactly opposite the pupils of the eyes. The glasses should not be too wide or too narrow. The bridge should fit the nose so well that wobbling will be impossible.

We are experts in the proper fitting of glasses and our skill is at your service. If the glasses you now wear do not fit perfectly bring them to us for adjustment.

# Getting More Gasoline

## DEMAND FOR OIL GROWING FASTER THAN PRODUCED

Washington, D. C., June 29.—[Special].—Production of gasoline increased 1,429,890 gallons daily, or 13½ per cent during the first four months of 1920, according to a statement issued today by the bureau of mines. As against this increase in production, however, the domestic consumption of gasoline increased 2,148,920 gallons daily, or 55 per cent.

—(From an article Chicago Tribune, June 30, 1920.)

**THIS** epitomizes the situation accurately. It also indicates how great is the task of the Standard Oil Company (Indiana).

But fuel for automotive power must be supplied. Especially is this true in the territory served by the Standard Oil Company (Indiana), because in this area—the bread-basket of the nation—so large a percentage of the gasoline is consumed in producing food.

Take away—even cripple—the automotive power on the Middle West farms and food prices will soar because of decreased production.

The power-driven tractor is the only means by which the farmer can cope successfully with the shortage of man-power.

By extensive research and intensive application the Standard Oil Company (Indiana) has increased the yield of gasoline from crude to the greatest degree yet known. But it is not satisfied.

The Company is striving to further increase the yield so that the use of the tractor, truck, the automobile, and the stationary gas engine may be used freely and without restriction.

It is apparent that the Standard Oil Company (Indiana) by increasing the yield has exerted, also, a downward influence on the price of gasoline.

The executive committee of the C. W. B. M. of the Main Street Christian church will meet tomorrow afternoon at 2:30 o'clock in the church parlors. All members are urged to be present.

Miss Lois Reeves will have as her house guests this week, the Misses Anna Marie McDermond of Attica, Ind., and Vera Bates of Terre Haute, Ind. A number of social functions are being planned in their honor.

The Misses Margaret Wells of Edinburg and Christine Ausier of Covington, Kentucky, are the house guests of Miss Lavienna Compton. Miss Wells will leave soon for Georgia where she will attend Brenau college.

The regular meeting of the Tri Kappa sorority will be held tomorrow evening at the home of Mrs. Hubert Innis south of the city. The meeting will be held at the regular hour and all members are urged to be present.

The Helping Hand Society of the Homer Christian church will meet with Mrs. Raymond Miller at her home near Homer on Wednesday afternoon, September 8 instead of this Wednesday afternoon as scheduled.

Mr. and Mrs. George H. Myer, Mr. and Mrs. Charles Meyer, Mr. and Mrs. Will Meyer and family and Mr. and Mrs. Eddie Meyer, all of Union township, attended the annual reunion of the Meyer family near Rays Crossing Sunday.

The regular monthly meeting of the Christian Woman's Missionary society of the Main Street Christian church will be held Thursday afternoon in the basement of the church. An appropriate program has been planned and all members are requested to attend the meeting.

Mrs. Florence Duke of this city and William Knecht, Jr., son of Mr. and Mrs. Will Knecht, Sr., were quietly married Saturday evening at the Catholic parsonage by Father Francis Schaub. Mr. and Mrs. Knecht left on a short wedding trip after which they will be at home to their friends in this city.

Mr. and Mrs. Charles H. Beebe entertained at dinner Sunday at their home four miles south of the city, the following guests: Mr. and Mrs. Joe Wainseott, Mrs. May Ely and daughter and family, Miss Eva Baily of Osgood and Mr. and Mrs. Harry York and son Harold of Glenwood and Miss Katie Whitton of this city.

The thirteenth annual reunion of the Land families will be held Sunday, September 5 at Rushville city park. The Rev. Joseph A. Land of Farmland, Randolph county, is expected to be present. All relatives and friends of the family are cordially invited to come and spend the day. A pitch-in dinner will be served at noon.

Miss Ruth Simpson, daughter of Mr. and Mrs. Frank Simpson, living east of the city, and Charles M. DeMumbrum were quietly married Saturday afternoon at four o'clock at the Main Street Christian parsonage by the Rev. L. E. Brown. Mr. and Mrs. DeMumbrum will make their future home in a newly furnished house in Willow street, this city. The bridegroom is a school teacher of this county and will be an instructor in the Arlington school this year.

Mr. and Mrs. John A. Spurrier of this city have received an invitation of the marriage of their granddaughter, Miss Mariam McNutt, daughter of Mrs. Leona M. McNutt, to George Robert Rea, both of Buffalo, Oklahoma, which will be performed Wednesday, September 1, at the bride's home in Buffalo. After a wedding trip the bridal couple will be at home to their many friends in Buffalo, Okla. Miss McNutt is well known in this city, having visited her grandparents here on numerous occasions.

Mr. and Mrs. Jacob Meyer entertained at chicken dinner Sunday Mr. and Mrs. William Martin, Mr. and Mrs. Alvan Moore of Cincinnati and V. N. Ripberger of Connersville.

Mr. and Mrs. Clarence Daubenspeck entertained at dinner Sunday, Mr. and Mrs. William Alexander and family, Mrs. Clawson and grandson, Mr. and Mrs. H. E. Daubenspeck, Mrs. Grace Spivey, Mrs. Emma Smith and Miss Emma Blackledge.

### SCHOOL DAYS

To send the children neatly clothed to school, five days a week, requires a substantial supply of apparel. Those who have boys or girls going to school will find our assortment of children's apparel excellently planned for their needs. You will find this store an excellent place to outfit young folks, whether it be their first year at school or whether they start the season in high school.

#### Girls' Dresses That Are Practical For School Wear

These are serviceable dresses of gingham and wool, fashioned in a delightfully simple way. Mothers will choose a generous supply, first because a liberal quantity is quite necessary and second because the values are of such worthy character that it is more satisfactory to get them than to make them at home.

#### Boys' School Suits of Durable Quality

Although dressy and becoming these suits anticipate the strenuous hours of play which punctuate the boy's school days. They are made of dependable material and strongly made in every detail, to minimize the necessity of frequent sewing and mending.

#### Amplly Prepared to supply students with

## Night Only Meant Hours of Terror

Was nervous weak, had frequent cold sweats and heart fluttering, kidney and bowels gave her much trouble and discomfort. Couldn't sleep, had no appetite, headaches and sick stomach. Dreco stopped it.

"My wife Margaret was in such bad health that we were very much alarmed about her. She had cold sweats, and heart weakness and was so dizzy and unsteady on her feet that she didn't want to go out for fear she would fall," said Mr. J. N. Christianberg of 1313 Liberty Ave., Terre Haute, Ind.

"Night meant one long line of terror for her, it was sometime before she could get to sleep, then her sleep was fitful, full of bad dreams and she would jump almost out of bed, awakening badly frightened. Her head ached so badly, along with a sick stomach that she just couldn't eat and what little she did eat wouldn't digest and caused severe constipation.

"She has taken three bottles of Dreco, which has soothed her nerves until she sleeps like a tired child. She eats and enjoys whatever she wants, having no bad after-effects and her bowels discharge the wastes of the body in a normal easy and regular manner. She has no more trouble with her kidneys and says she wants all the world to know that Dreco has made a new woman of her."

All druggists now sell Dreco and it is being especially introduced in Rushville by F. B. Johnson & Co.—(Adv.)

## "PROHIS" URGE A DRY CONGRESS

In State Convention Today Say That Election Will no Doubt Mean Either Cox or Harding

### WANT 13 DRY CONGRESSMEN

Chairman Schmidt Says That It Lies Between Cox and Cocktails or Harding and Highballs

(By United Press)  
Indianapolis, Ind., Aug. 30.—Granting that either Senator Harding or Governor Cox will land in the White House, J. Raymond Schmidt today outlined the principles of the prohibition party in the Indiana campaign and asked the prohibitionists to turn their efforts toward obtaining thirteen dry congressmen.

Schmidt was temporary chairman of the state convention here today and his address was the keynote speech of the meeting.

Repeated attacks on Harding and Cox for their past stands on the liquor question interspersed his comments.

"It seems to be a question this year between Cox and cocktails or Harding and Highballs," Schmidt declared, "the presidency bids fair to be very moist if not very wet."

The action of the recent republican and democratic platforms, shows that booze still holds the whip hand in politics," he asserted. "A combination of politicians and the liquor trade has been formed for the purpose of disregarding the wishes of the people and violating the spirit of the eighteenth amendment. Were there no organized liquor vote to corral, there would have been no reason for maintaining deathlike silence on the prohibition issue in the republican and democratic platforms.

"Prohibitionists are not rubber stamp voters. They want presidential choice without taking orders from Wall street, Tammany Hall, or a combination of liquor interest, underworld politicians and big business."

Schmidt endorsed the league of nations, favored legislation prohibiting "all paralyzing strikes pending settlement of labor troubles," denounced "wholesale raids without the right of bail or jury trial, the suppression of free speech and the press and the presence of graft in public life." He also declared against profiteering and advocated the elimination of the "wasteful middleman."

The convention was called to order in the Y. M. C. A. auditorium at 2:30 o'clock this afternoon, following a meeting of the state central committee. It will select a candidate for U. S. senator and will hear an address by Dr. Aaron S. Watkins, of Germantown, O., the party's candidate for president.

Tomorrow the convention will adopt a platform, nominate presidential electors and a state ticket and adjourn.

### WEATHER FOR THE WEEK

Washington, Aug. 30.—Generally fair weather in the Ohio valley is indicated for this week, except rains Wednesday or Thursday. Moderate temperature will prevail.

## NEW MILROY BANK STARTS

First National Begins Business in  
Masonic Building Today

The First National Bank of Milroy opened its doors today for the first time, the institution having been organized in recent months. The bank will be located in part of E. O. Anderson's furniture store in the Masonic building, just west of the Big Four railroad on the south side of the street, for the present until permanent quarters are obtained.

The bank's officers received a number of visitors during the day and served refreshments to all callers. Edgar Thomas of Milroy is president of the new bank, Dora F. Jackman is vice-president and Everett F. Ryan is cashier. Mr. Ryan came to Milroy from Monrovia, Morgan county, Indiana, having served for nine and a half years as cashier of the First National bank of Monrovia. Previous to that time he was connected with private banks. The Milroy bank is capitalized at \$50,000, all of the stock being sold in Milroy and vicinity.

## CHARGES ORGANIZED LIQUOR INTERESTS ARE BACKING COX

Will H. Hays, National Republican Chairman, Delivers Counter Attack at Investigation

PRODUCES CARROLL'S LETTER

Epistle is Plea From New Jersey Head of Liquor Interests For Cox Contributions

CARROLL IS SUBPOENAED

Hays Says Cox Charges Are False in What They Say and Libelous in Their Purpose

(By United Press)

Chicago, Ill., Aug. 30.—Organized liquor interests in the United States have set out to elect Governor Cox of Ohio president and are raising a campaign fund for the purpose, Will H. Hays, chairman of the republican national committee, charged today before the United States senate subcommittee investigating the campaign expenditures.

Hays read into the record a letter written by George Carroll, president of the New Jersey Federation of liquor interest, under the date of July 22, 1920, asking for a contribution to help elect Cox and keep the anti-saloon league out of power.

The letter said that they would call the Cox nomination a "great victory for us."

Senator Reed of Missouri, Democratic member of the committee, interrupted Hays' statement when the G. O. P. chairman began to read a newspaper article telling of a meeting of the democratic executive committee at Atlantic City in August 1920, at which it was stated the democratic leaders planned to raise a \$10,000,000 fund.

Hays said he was reading the article as a counter attack against the democrats.

Senator Kenyon asked Hays to keep away from that sort of evidence as much as possible.

Reed insisted that evidence should be obtained only from sworn witnesses and Senator Edge asked if he thought the committee should call Governor Cox.

"If any member of the committee wants to call him, I am not objecting," Reed said. "But I don't think it is necessary at this time."

Reed asked Hays if he charged that the democrats came out to raise \$10,000,000 fund, according to the three newspaper articles which Hays read into the evidence.

"I charge," Hays said, "that amount was set up for the very purpose in these articles."

Governor Cox charges "are false in what they say and libelous in their purpose," Hays said.

Hays in a long prepared statement to the committee said the national committee's budget for the campaign for this year called for \$3,079,037.20. That sum or approximately that will be raised and spent, he said, and not \$15,000,000 as Cox charged.

Hays also produced what he said was an acknowledgment by I. N. Heller of Newark, secretary of the New Jersey Federation of liquor interests of a contribution of \$125 to the democratic campaign fund.

Heller and Carroll were immediately subpoenaed by the committee.

Hays produced the letter and receipts after having charged that certain interests were trying to help elect Cox. He said he was willing to submit evidence concerning these interests.

"Submit it," said Kenyon.

Hays then read the letter. Hays declared with great emphasis in response to the queries by Senator Reed by "there is not, never was and will not be any arrangements or agreements with men of large means to underwrite the campaign."

He also denied that any corporation had co-operated with the G. O. P. and said he had not heard of any promise for favors in contributions. Hays declared "this liquor business is bad."

Hays said he was merely trying to give the committee a leak for in-

vestigation of the democratic fund and was permitted by the committee to submit the newspaper articles of that leak.

"I do not claim that the Democrats set out to raise a \$10,000,000 fund," he said. "But I do say they created money raising machines to do that."

Reminiscent Talks at Dinner Party in Honor of Tom J. Geraghty Saturday Night

EARL H. PAYNE PLAYS HOST

Some of the old characters of Rushville, made famous locally by Tom J. Geraghty while he was on the Daily Republican, were the subjects of many reminiscent stories related at a dinner party given Saturday evening by Earl H. Payne at his home, in honor of Mr. Geraghty, who was a guest here over Sunday while enroute from Los Angeles to New York, where he will take charge of the new Famous Players-Lasky motion picture studio.

The well-known "key" to Rushville was presented to Mr. Geraghty by Will O. Feudner, who recalled some of the incidents of his early newspaper career here and referred to some of Tom's early friends about whom he delighted to write interesting stories. Many of them have passed away since Tom's last visit here, but he was still able to find many familiar faces in Rushville.

Each of the fourteen guests Saturday night related how he earned his first money as a boy and some "campaign" speeches, centering about Gov. Cox's charges of a fifteen million dollar slush fund, enveloped the party. The host received "telegrams" from Gov. Cox and Senator Harding which developed a political argument of great intensity. Gilbert Cornish of Chicago, who visited Denning Havens here over the week-end, was among the guests.

## MINERS GET INCREASE

Washington, Aug. 30.—President Wilson today approved the majority report of the anthracite coal commission giving the miners a wage increase of approximately 17 percent.

## M'SWENEY COLLAPSES

London, Aug. 30.—Terence Mac-Sweeney, lord mayor of court, collapsed again in Briston prison this afternoon. Physicians expressed the belief he had but a few hours to live. This was the 18th day of his hunger strike.

## FOUR KILLED IN BELFAST

Belfast, Ireland, Aug. 30.—Soldiers and police restored order following a night and morning of rioting between Orangemen and Catholics. Three men and a woman were killed today and fifty persons were wounded, bringing the total up to 15 killed and 100 wounded in the riot.

## TO TIE UP ELEVATED

New York, Aug. 30.—Union leaders directing the Brooklyn transit strike today declared they would endeavor to complete the tie up of elevated railroads and subway lines in Brooklyn by a sympathy strike of motormen on these roads. Leaders said many brotherhood men had expressed the desire to walk out and said an appeal would be made to them today.

## CAN'T PREVENT JAP VOTE

Washington, Aug. 30.—The vote of California on the measure for abolishing prohibition of land holding by Japanese, scheduled for November, can not be prevented by the United States, it was said officially today, as the result of extending negotiations with the ambassador of Japan.

## INFORMATION FOR VOTERS PROVIDED

Attaches of Republican County Headquarters Prepared to Serve Voters This Week

## TWO WOMEN ON DUTY THERE

Republican headquarters, for both men and women, will be open every day this week from nine o'clock in the morning until nine o'clock in the evening for the benefit of voters who will register Saturday. There will be someone constantly in attendance during these hours to answer any questions regarding registration. Mrs. A. L. Stewart, who is at the head of the republican women's organization of the county, and Miss Lena Buell, will be in the woman's headquarters, which is just across the hall from men's headquarters over Shuster and Epstein's store in West Second street.

Any persons who expects to be absent on Saturday is urged to go to the office of the clerk of the circuit court and fill out a blank for registering. Persons knowing others who will be sick and unable to go to the polls Saturday are requested to call telephone No. 1627 and the proper authorities will be sent to them so that they may register.

It is reported that a number of women living on the outskirts of the city think they can avoid poll tax by refusing to register or vote. It is pointed out that this is far from the case because the poll tax must be paid regardless of whether the voter casts a ballot.

## PARTY OF BOY SCOUTS TOURING ON BICYCLES

Eight Young Men, Including Scoutmaster, Here on Return Trip to Home at Mansfield, O.

## TRIP COVERS 1,000 MILES

A party of eight Boy Scouts, accompanied by their scoutmaster, Carl E. Warner, passed through here Saturday evening on their return trip of a thousand mile bicycle journey to Mansfield, Ohio, where they started August 7. The crowd arrived in Greensburg Thursday night and was detained there over Friday night by the illness of Russel Phipps, assistant scoutmaster.

The group of Scouts were entertained at the Y. M. C. A. during their stay in Greensburg and did not get away from their until Saturday afternoon, passing through here between four and five o'clock on the way to Connersville. In addition to the scoutmaster and his assistant, the members of the party were: Ralph Schad, Harold A. Bruce, Henry Carr, Harlow Salter, Lee Manuel and Clarence Hassinger.

The purpose of the trip is to boost the scout movement, boost Mansfield, O., and to have a health and endurance test. In the company are 2 star scouts, 1 life scout and all are first class scouts. They have averaged from 40 to 50 miles per day while on the road.

Their route, leaving Mansfield, included Sandusky, Port Clinton, Toledo, Ohio, Detroit, Mich., Windsor, Canada, South Bend, Indianapolis, Columbus, Greensburg. From here they went to Connersville, Springfield, O., Marion, O., the home of Senator Harding, and then on to their own home at Mansfield.

Raymond L. Blount, et al, today filed a petition for a repair of a drain, known as the Isaac M. Fletcher drain. Several petitioners are listed with Mr. Blount in bringing the action into court.

## BOYS CALLED INTO COURT

Six high school boys were cited to appear in police court this afternoon at four o'clock, following a complaint registered at the I. & C. traction station last night about eight o'clock, when the boys are said to have scattered limberger cheese around the station, making the place almost uninhabitable.

## TO START PLANT TO TREAT WHEAT

Seed Committee and County Agent Make Arrangements to Give Hot Water Treatment

## TO BE STARTED IN SEPTEMBER

Only 100 Bushels to Township Will Be Treated—Rules Governing The Station

Plans were completed Saturday afternoon at a meeting of the county seed committee and County Agent D. D. Ball, whereby farmers of Rush county may take advantage of an opportunity to have their seed wheat treated by the hot water method, which was used here last fall very effectively by County Agent Detrick.

The committee decided to allow 100 bushels from each township, which in all will make 1200 bushels for the entire county that will be given the treatment. The oil boiler room at the heating plant back of the county jail, will again be fitted up for the treating, and the work will commence between the tenth and fifteenth of September.

The part of assigning wheat for the treatment will be left with the various township chairmen, and many townships are already filled with the quota. Anyone else who desires to have wheat treated should consult their township chairman or else take the matter up at once with the county agent.

The seed wheat committee consists of Howard Ewbank, W. B. Crane and Harry McMillin. Last year only 558 bushels were treated, which represented 52 individuals. The results in all cases this year showed that the wheat which was given the treatment was free from smut, or only a small trace was found, while the seed that was planted untreated, showed on an average of 7 percent smut.

All farmers whose wheat was treated last fall sent a report into the county agent's office, telling the amount in dollars and cents that the treatment saved them, and the results were astonishingly remarkable.

At the meeting Saturday, several rules were laid down for the carrying on of the treating station and the rules adopted are as follows:

1. Varieties must be picked out from over the different townships in the county.
2. Only wheat of reasonably pure variety will be treated.
3. Only wheat of variety standard for Rush county, will be eligible.
4. Wheat must be properly cleaned before bringing it to the treating station.
5. The amount will be limited to enough seed to sow a small field of not more than 20 acres for an individual.
6. The treated wheat must be planted after "fly free" date, and crop raised from treated wheat must be made available for seed to the farmers in the township on which grown and at a reasonable price.
7. Wheat must be brought to the plant for treatment and called for when requested and will be treated in order that applications are received.

The fly free date mentioned above is after October second in this county.

## INCREASE NOT AUTHORIZED

Public Service Commission Refuses Raises in Rail Fares

(By United Press)

Indianapolis, Ind., Aug. 30.—Passenger fare increases on the steam railroads operating in Indiana will not be authorized by the public service commission at the present time, E. I. Lewis, chairman of the commission, announced today.

The steam carriers petition for higher freight rates and other rates are still under consideration, he said. This action retains the three cent fare in Indiana. Lewis said the public service commission took this course because of like action by the state utilities bodies of Ohio and Illinois.

## MAY FACE SERIOUS CHARGE

Emory Westover is in Jail on Complaint of Several Parents

Emory Westover, was lodged in jail yesterday afternoon by Sheriff Jones, on a warrant charging him with unbecoming conduct, and today it was expected that a charge of encouraging delinquency of minors will be placed against him in the circuit court. Parents of about ten or twelve young girls have complained to the officers about the actions of the man toward their daughters, and yesterday he was placed in jail after being followed by the officers. Westover gave his age as 58, and said he is employed in Glenwood, but lives in this city. No bond was furnished today, as there had not been any specific charge placed against him.

## SEPTEMBER TERM OF COURT JURIES DRAWN

Commissioners Draw Names For Regular Panel in Preparation For Court Opening

## NO WOMEN ON EITHER JURY

The petit jurors and grand jurors were drawn this afternoon in the clerk's office, in preparation for the beginning of the September term of court which convenes next Monday. In drawing the two sets of jurors, it so happened that there were no women's names put in the box, and for this term at least, the regular panel will be composed of men.

R. G. Budd and J. L. Cowing acted as jury commissioners, Mr. Budd filling the place temporarily on account of the illness of Cary Jackson. The twelve men drawn for service on the petit jury are, Thomas S. Mills, Jackson township; John G. Beale, Jackson; Daniel Hays, Washington; W. A. Cameron, Richland; Al Newsom, Ripley; Minor Bell, Union; Lon P. Willey, Orange; James W. Branam, Walker; Charles Owen, Orange; Charles Chance, Union; Bert Mull, Walker and Jesse A. Leisure of Ripley township.

The six selected for service as grand jurors are as follows: John Heeb, Noble; Lora Alexander, Orange; Henry F. Addison, Posey; Edward Austin, Richland; James M. Gwinn, Rushville and Thomas W. Lower of Rushville.

## FINAL PREPARATIONS MADE FOR MINSTREL

Seat Sale Indicates Attendance at Home Talent Production Will Be Good

## TO BE GIVEN TWICE THIS WEEK

Final preparations are being made for the presentation of the Knights of Pythias minstrel show which will be given at the Graham Annex auditorium Thursday and Friday evenings of this week, under the direction of James Withers of Greensburg.

Reserved seats are now on sale at Hargrove and Mullin's drug store and the early demand indicates that the attendance will be up to the record established by former home talent productions.

It was announced today that all members of the cast should be at the K. of P. hall tonight not later than seven-thirty o'clock.

The following from the Greensburg News tells of the success of the minstrel show which was staged there last week under the co-direction of Withers in connection with the American Legion jubilee.

The Loyd & Withers minstrel show is probably the greatest financial success of the jubilee. The receipts have been very large, if the crowds that have attended are any criterion. C. J. Loyd has always taken a delight in staging a minstrel and his enthusiasm is revealed in the success attained by his shows. Withers knows the game from A to Z. Loyd & Withers are planning to stage minstrel shows in neighboring cities this fall and winter.

## LASTING TRIBUTE PAID TO SOLDIER

Military Funeral Held Sunday in Honor of Raymond Hamilton, First to Die Overseas

## LARGE CROWD AT CEMETERY

The Rev. L. E. Brown Compliments East Hill Cemetery Co. For Gift of Burying Ground

Deep and lasting tribute to the memory of Raymond Hamilton, the first Rush county soldier who died in a foreign country during the World War, was paid at a military funeral held Sunday under the auspices of Rush post No. 150 of the American Legion.

Several hundred people gathered at the home of Mrs. Reynolds, 1020 West Market street, where the funeral services were held at four o'clock in the afternoon. The funeral sermon was preached by the Rev. L. E. Brown of the Main Street Christian church, who took for his subject the passage of scripture, "He saves others; Himself He cannot save."

A crowd estimated at twelve hundred people gathered at East Hill cemetery for the ceremonies at the grave, where the Rev. Mr. Brown made a short address, complimenting the generosity of the East Hill Cemetery company for its gift of a burying ground to the American Legion post of this city as a site for graves of World War veterans.

The American Legion ritual was used at the grave. Albert Sweet of Rush post read a prayer and Harry Lucas sounded taps. It was a source of great regret on the part of the officers of Rush post that they were unable to get a firing squad to make the funeral of the first Rush county boy who died overseas, a true military ceremony.

The heads of the Legion post endeavored to get a squad of soldiers from some camp to make the funeral military in every aspect, but they found it impossible. Practically all of the soldiers have been removed from Fort Benjamin Harrison in preparation for making the post a corps headquarters, and it is hoped that if the occasion arises again where a military funeral is desired, it will be possible to get a firing squad from Fort Harrison.

The funeral cortege from the home to East Hill was led by a guard of ex-service men, wearing their uniforms, who rode in automobiles. Several other machines, bearing relatives and friends, followed the hearse.

The pall bearers, all of whom were friends of Hamilton, were as follows: Charles Pea, Ralph Pea, James Jordan, Ralph Wagoner, Elmer Hendricks and Donald Newman.

The Rev. Mr. Brown, speaking at the grave, commented on the fact that the first Rush county soldier to be laid to rest in the American Legion-burying ground, was not only the first Rush county boy who gave his life for his country on foreign soil, but that he was also the youngest Rush county boy who made the supreme sacrifice during the recent world conflict.

The minister complimented highly the officers and board of directors of the East Hill Cemetery association for their gift to the American Legion. He said that such acts should be emulated here because they showed the proper appreciation for the services performed by the hundreds of Rush county boys who answered the call of their country.

The Rev. Mr. Brown enumerated briefly the events in the life of Private Hamilton at the grave, having read the following outline of his career at the funeral services:

Taps have sounded and we are gathered to pay tribute to one whose life was snuffed out in the very flower of his young manhood. One who answered his country's call in time of greatest need and whose life was given on the altar of service. Raymond Hamilton, son of Edith and Cyrus Hamilton, was born in Wayne county, Indiana, January 7, 1900. Coming to Rushville about twelve years ago, he made his home with his aunt, Mrs. Albert Pea, until the country's call for volunteers was

given and he was one of the first to enlist. He enlisted with Company B, encamped at the Rush county fair grounds and was later transferred to 150th Field Artillery, Rainbow division, Fort Harrison, Indianapolis. Soon after his division was sent to France and was there just eighteen days when he contracted the measles, that resulted in his death, December 8, 1917 at the age of seventeen years, eleven months and one day. Raymond was the first Rush county boy to die in service.

He is survived by his mother, Mrs. Edith Creagor, two half-brothers and one half-sister and one aunt, besides many other relatives and friends.

The remains were brought to Rushville on the morning of August 27, 1920, and were interred at the East Hill cemetery Sunday August 29. The services were in charge of the American legion.

## BETWEEN a cruel and powerful Sheik of Arabia and a daring American captain of the famous Black Horse Troop, a deadly feud arose for possession of Sari, the lovely, unveiled Virgin, beggar girl of the Stamboul streets. One she hated and dreaded—the other she almost loved. Then, one fateful day, she entered, unseen, a Turkish mosque, forbidden to women under penalty of death. There she saw a sight that froze the blood in her veins—that changed her in a moment from a care-free girl to a woman. What was the dreadful act Sari saw in the sacred mosque; who committed it, and why? What became of the Sheik and the American as a consequence or what she saw? Those are tremendous moments in "The Virgin of Stamboul". Don't miss them. Now playing.

## RESTAURANT MAN IS OUT WITH ALL FACTS

**Says He Works Twelve and Fourteen Hours a Day, But Feels Fine Since Taking Tanlac — Friends Comment on Change.**

"Tanlac has certainly put me back on the eating list," said W. H. Tillman, of 430 6th street, Terre Haute, Ind., who for five years has been the manager of Nagles Dairy Lunch.

"For one whole year following a nervous breakdown," explained Mr. Tillman, "I was unable to enjoy a single mouthful to eat. I lost my appetite completely and the little I did eat was just forced down. I suffered a great deal with pains in my chest, which were so severe at times as to almost cut off my breath. I became so weak that I could scarcely attend to my business and was only strong enough to spend about two hours a day in the cafe, then I just had to go home and to bed. I tried all kinds of medicines,

but just kept on getting weaker and going down hill until I thought I would have to give up my business entirely.

"One day while talking to a customer I asked him what made him have such a good appetite. He said Tanlac, and recommended it so highly that I decided to try it myself. I bought a bottle that very day and my appetite is so big now that I can hardly eat enough to satisfy it. Why I eat all hours of the day and just feel fine all the time. I work twelve and fourteen hours a day now and lots of the patrons of the cafe comment on how well I look and I don't hesitate to tell them what did it."

Tanlac is sold in Rushville by F. B. Johnson Co., in Milroy by Dallas Copper, in Manilla by Geo. J. Inlow, in Arlington by Mrs. L. T. Davis, in Carthage by Otto C. McCarty, and in New Salem by Mrs. Jos. Hankins, R. R. 2—Adv.

## RICHMOND GETS ONE LITTLE HIT

**Tail Lights Bunch Hits in Seventh Inning and Shut Out Richmond Eagles 5 to 0**

**WAS A WONDERFUL GAME**

**Plummer Pitches Great Game and Entire Team Plays Airtight Ball — Anderson Next**

With two men out in the seventh inning, and the score nothing to nothing, the Rushville Tail Lights managed to fill the bases, pound out five hits, and bring in five runs which won the game for them at Richmond, when the fast Eagle team of that city was shut out by the score of 5 to 0.

The game was a revengeful one in every respect, the local team having lost at Richmond a few Sundays ago by the score of 3 to 2, in one of the fastest games ever played in that city. Plummer was at his best yesterday and deserves credit for winning the game.

Only 29 batters faced Plummer, four struck out and in most cases only three men were at bat. Burkett, first baseman for Richmond, was the only player that got a hit, it being a single toward the end of the game.

The Tail Lights were in the best of form, and fielded almost perfectly, making only three scattered errors which did not amount to anything. All of the fielding was practically done in the infield, as only two balls were knocked to the outfield.

Gordon Bennett on first base made 13 putouts, without an error, and Plummer had 7 assists. Joyce handled 8 assists at second base without an error.

The first six innings were league style without any rag chewing, no errors or scores. In the seventh, with Rushville at bat the fireworks

started, and when the Tail Lights had scored three runs, the Eagle team was unable to come back with a single score.

Plummer was the first batter up in the seventh for Rushville, and he singled. He stole second on a passed ball and an overthrow to first landed him on third base. Doll struck out and W. Bennett knocked a fly, which put him out. The next two up were walked, and Byrne singled, followed by a double by Joyce and a single by Bell, which brought in the five runs.

Over 2,000 people attended the game, as Rushville had previously made a reputation of having a good team, and Plummer pitched better ball yesterday than he did a few weeks ago. The entire team was behind him, which put the game on edge.

Minner was the pitcher for Richmond, and aside from the fatal seventh, he pitched good ball, the Tail Lights getting 9 hits in the game.

The Richmond manager is again anxious to get the two teams in action again this season. The fast Anderson Seftons play here next Sunday, having been rained out a few weeks ago in a game scheduled here. On the following Monday, Labor Day, the Arlington Red Sox will be the attraction, which will no doubt prove a good drawing card.

### WANTS A JURY TRIAL

Martin Gibson of Spiceland was given a hearing in police court Saturday afternoon, after being arrested earlier in the week on a charge of operating his automobile without license plates, and pleaded not guilty, his trial being set for Friday afternoon of this week. Gibson requested that a jury be summoned for his case.

## Frames Should Fit The Face

Correctly fitting frames are almost as important as correctly ground lenses. Therefore we take particular pains to make sure that the frames fit the face perfectly.

The center of the glasses should come exactly opposite the pupils of the eyes. The glasses should not be too wide or too narrow. The bridge should fit the nose so well that wobbling will be impossible.

We are experts in the proper fitting of glasses and our skill is at your service. If the glasses you now wear do not fit perfectly, bring them to us for adjustment.

# Getting More Gasoline

## DEMAND FOR OIL GROWING FASTER THAN PRODUCED

Washington, D. C., June 29. (Special.)—Production of gasoline increased 1,400,000 gallons daily, or 4.7 per cent, during the first four months of this year, according to a statement issued today by the Bureau of Mines. As against the increase in production, however, the domestic consumption of gasoline increased 2,140,000 gallons daily, or 20 per cent.

—(From an article Chicago Tribune, June 29, 1923.)

**THIS** epitomizes the situation accurately. It also indicates how great is the task of the Standard Oil Company (Indiana).

But fuel for automotive power must be supplied. Especially is this true in the territory served by the Standard Oil Company (Indiana), because in this area—the bread-basket of the nation—so large a percentage of the gasoline is consumed in producing food.

Take away—even cripple—the automotive power on the Middle West farms and food prices will soar because of decreased production.

The power-driven tractor is the only means by which the farmer can cope successfully with the shortage of man-power.

By extensive research and intensive application the Standard Oil Company (Indiana) has increased the yield of gasoline from crude to the greatest degree yet known. But it is not satisfied.

The Company is striving to further increase the yield so that the use of the tractor, truck, the automobile, and the stationary gas engine may be used freely and without restriction.

It is apparent that the Standard Oil Company (Indiana) by increasing the yield has exerted, also, a downward influence on the price of gasoline.

## SCHOOL DAYS

To send the children neatly clothed to school, five days a week, requires a substantial supply of apparel. Those who have boys or girls going to school will find our assortment of children's apparel excellently planned for their needs. You will find this store an excellent place to outfit young folks, whether it be their first year at school or whether they start the season in high school.

### Girls' Dresses That Are Practical For School Wear

These are serviceable dresses of gingham and wool, fashioned in a delightfully simple way. Mothers will choose a generous supply, first because a liberal quantity is quite necessary and second because the values are of such worthy character that it is more satisfactory to get them than to make them at home.

### Boys' School Suits of Durable Quality

Although dressy and becoming these suits anticipate the strenuous hours of play which punctuate the boy's school days. They are made of dependable material and strongly made in every detail, to minimize the necessity of frequent sewing and mending.

The feeds are chain driven from the axle of the two rear wheels which have the racket hubs—making both wheels driven.

They are STEERABLE without lifting by the operator. Pressure on one of the handles of the operator shifting his position when riding on the box immediately changes the steering of that side. They are absolutely safe as to safety of sows and as to safety of owner.

## Night Only Meant Hours of Terror

Was nervous weak, had frequent cold sweats and heart fluttering, kidney and bowels gave her much trouble and discomfort. Couldn't sleep, had no appetite, headaches and sick stomach. Dreco stopped it.

"My wife Margaret was in such bad health that we were very much alarmed about her. She had, cold sweats, and heart weakness and was so dizzy and unsteady on her feet that she didn't want to go out for fear she would fall," said Mr. J. N. Christianberg of 1313 Liberty Ave., Terre Haute, Ind.

"Night meant one long line of terror for her, it was sometime before she could get to sleep, then her sleep was fitful, full of bad dreams and she would jump almost out of bed, awakening badly frightened. Her head ached so badly, along with a sick stomach that she just couldn't eat and what little she did eat wouldn't digest and caused severe constipation.

"She has taken three bottles of Dreco, which has soothed her nerves until she sleeps like a tired child. She eats and enjoys whatever she wants, having no bad after-effects and her bowels discharge the wastes of the body in a normal easy and regular manner. She has no more trouble with her kidneys and says she wants all the world to know that Dreco has made a new woman of her."

All druggists now sell Dreco and it is being especially introduced in Rushville by F. B. Johnson & Co.—(Adv.)

## "PROHIS" URGE A DRY CONGRESS

In State Convention Today Say  
That Election Will no Doubt  
Mean Either Cox or Harding

### WANT 13 DRY CONGRESSMEN

Chairman Schmidt Says That It Lies  
Between Cox and Cocktails or  
Harding and Highballs

(By United Press)  
Indianapolis, Ind., Aug. 30.—Granting that either Senator Harding or Governor Cox will land in the White House, J. Raymond Schmidt today outlined the principles of the prohibition party in the Indiana campaign and asked the prohibitionists to turn their efforts toward obtaining thirteen dry congressmen.

Schmidt was temporary chairman of the state convention here today and his address was the keynote speech of the meeting.

Repeated attacks on Harding and Cox for their past stands on the liquor question interspersed his comments.

"It seems to be a question this year between Cox and cocktails or Harding and Highballs," Schmidt declared, "the presidency bids fair to be very moist if not very wet."

The action of the recent republican and democratic platforms, shows that booze still holds the whip hand in politics," he asserted. "A combination of politicians and the liquor trade has been formed for the purpose of disregarding the wishes of the people and violating the spirit of the eighteenth amendment. Were there no organized liquor vote to corral, there would have been no reason for maintaining deathlike silence on the prohibition issue in the republican and democratic platforms.

"Prohibitionists are not rubber stamp voters. They want presidential choice without taking orders from Wall street, Tammany Hall, or a combination of liquor interest, underworld politicians and big business."

Schmidt endorsed the league of nations, favored legislation prohibiting "all paralyzing strikes pending settlement of labor troubles," denounced "wholesale raids without the right of bail or jury trial, the suppression of free speech and the press and the presence of graft in public life." He also declared against profiteering and advocated the elimination of the "wasteful middleman."

The convention was called to order in the Y. M. C. A. auditorium at 2:30 o'clock this afternoon, following a meeting of the state central committee. It will select a candidate for U. S. senator and will hear an address by Dr. Aaron S. Watkins, of Germantown, O., the party's candidate for president.

Tomorrow the convention will adopt a platform, nominate presidential electors and a state ticket and adjourn.

### WEATHER FOR THE WEEK

Washington, Aug. 30.—Generally fair weather in the Ohio valley is indicated for this week, except rains Wednesday or Thursday. Moderate temperature will prevail.

## "Aunt Sally—she knew how all right"

WHEN I was small,  
I USED to watch,  
AUNT SALLY,  
PUT UP fruit  
AND VEGETABLES,  
FOR THE winter.  
I REMEMBER how,  
SHE PACKED it all  
IN CLEAN glass jars,  
AND SEALED the tops,  
WITH PARAFFIN,  
TO KEEP out.

ALL THE fruit and keep,  
THE JUICY flavor in,  
AND ALL the winter.

THANKS TO her.

WE HAD the fruits,

OF SUMMER on our table,

SO WHEN I happened,

ON SOME cigarettes,

WRAPPED NEATLY up,

IN A glassine jacket,

I DIDN'T think,

IT WAS just for looks,

BUT RATHER that,

THE EXTRA wrapper,

KEPT AIR and dampness,

ALL OUTSIDE.

AND GOODNESS in,

SO THAT'S another,

BLAME GOOD reason why,

"THEY SATISFY."

QUITE right, that neat glassine jacket isn't just for looks. It protects your Chesterfields from the weather—seals in the flavor of those wonderful Turkish and Domestic tobaccos—keeps them in prime shape for smoking! Rain or shine, winter or summer, Chesterfields are "Satisfy!"

## NEW MILROY BANK STARTS

First National Begins Business in  
Masonic Building Today

The First National Bank of Milroy opened its doors today for the first time, the institution having been organized in recent months. The bank will be located in part of E. O. Anderson's furniture store in the Masonic building, just west of the Big Four railroad on the south side of the street, for the present until permanent quarters are obtained.

The bank's officers received a number of visitors during the day and served refreshments to all callers. Edgar Thomas of Milroy is president of the new bank, Dora F. Jackman is vice-president and Everett F. Ryan is cashier. Mr. Ryan came to Milroy from Monrovia, Morgan county, Indiana, having served for nine and a half years as cashier of the First National bank of Monrovia. Previous to that time he was connected with private banks. The Milroy bank is capitalized at \$50,000, all of the stock being sold in Milroy and vicinity.

—Miss Bessie Dodd of Spokane, Wash., is visiting Dr. and Mrs. F. R. McClanahan in this city for a few days.

—James W. Perkins left this afternoon for Rising Sun, Ind., after a visit here with Mr. and Mrs. Fred A. Caldwell. From Rising Sun, Mr. Perkins will proceed to his home in Washington, D. C.

—Among the people from this city that attended the funeral services today in Indianapolis of Mrs. John E. Smith, were Mr. and Mrs. Phil Wilk, Mr. and Mrs. John H. Frazee, Dr. and Mrs. Will C. Smith and Mr. and Mrs. George Hogsett.

## MANY THINGS HAVE HELPED TO MAKE TRAVEL PLEASANT, BUT NOTHING MORE THAN THIS—

No one thing has contributed more to the pleasure of traveling—in Europe, in the Orient in South America, or in the United States—than the Traveler's Checks of the American Bankers Association, popularly known as "A.B.A." Checks.

Imagine yourself in a strange place, far from home, where the banker does not know you and the hotel-keeper is suspicious because somebody recently passed a bogus cheque on him and where your credit has no standing with the people you meet.

What good would your cheque do under such circumstances?

What good would a certified cheque or bank draft do you?

None whatever, unless somebody "took a chance" out of pity for you and cashed the cheque or draft.

We don't want our customers to be placed in such embarrassing positions, so we have arranged to help them to have as pleasant a trip as money can provide by selling to them
